CAMP DESCRIPTION

Berkshire Humane Society (BHS) has planned a balanced and fun curriculum for Camp Humane. It includes:

- Hands-on exposure to the shelter animals and other staff pets,
- Exciting education media,
- Field trips,
- Professional speakers and demonstrations in the field of animals, and
- Craft projects.

BHS's goal is to ensure that every camper has a life-enriching experience. In order to achieve this goal, please read and review the following with your child:

- We expect all campers to participate in all activities and *remain as part of the group*. We do not have the staff to supervise campers who would rather not join in with the others.
- For the safety of the campers as well as the animals, we require that all campers listen to and take directions from all the camp staff including the directors, assistants, and junior counselors. If any camper misbehaves during shelter time with the animals, the entire group of campers may lose the privilege of socializing or working with the animals.
- We expect all campers to be considerate and respectful of other campers and staff.
- BHS is an open admission shelter which means that the subject of euthanasia may be discussed. We also will be talking with campers about other animal welfare topics. We do attempt to explain all issues in language appropriate to your child's age group.
- Please do not bring your personal pets to the shelter when dropping off or picking up your child as it disturbs the shelter animals.
- We reserve the right to dismiss any camper whose behavior jeopardizes the safety and well-being of other campers, staff, or the animals. In such cases, no refund will be given.

I have read and understood the description of the Camp Humane program and determined it is appropriate for my child.

PARTICIPATION AGREEMENT

Please read carefully before signing.

I, the Parent/Guardian, acknowledge that I voluntarily and willingly permit my child to participate in Camp Humane at Berkshire Humane Society.

I fully understand and acknowledge that certain elements of Camp Humane may be potentially hazardous for my child and that he/she may face the risk of accidental and or/other injury. These risks include, but are not limited to, falls and collisions with other persons; animal bites and scratches; and travel to and from field trips. I understand and assume any and all risks associated with my child's participation in Camp Humane.

I attest that my child is sufficiently physically and emotionally fit to participate in all Camp Humane activities.

I do hereby affirm that I have adequate medical insurance to cover any injuries to my child that may result from his/her participation in Camp Humane. I understand that no insurance coverage may exist through Berkshire Humane Society to cover any claims that may arise out of my child's participation in Camp Humane.

I, for myself and my personal representatives, heirs, and assigns, do hereby hold harmless and release, waive, and forever discharge Berkshire Humane Society, its successors, assigns, and other legal representatives, and its officers, trustees, agents, employees, and students from, and against any and all claims, demands, and actions, or causes of action, on account of any damage to my child's personal property, personal injury, or death which may result from his/her participation in Camp Humane, even though the claim or liability may arise out of the negligence or carelessness on the part of Berkshire Humane Society, or any third person, whether foreseen or unforeseen, known or unknown.

I hereby expressly agree that this release and waiver is intended to be as broad and inclusive as permitted by the laws of the State of Massachusetts, and that if any portion hereof is held invalid, it is agreed that the balance, notwithstanding, continues in full legal force and effect.

I further state that I have carefully read the foregoing release and waiver of liability, know the contents thereof, and agree to sign this release and waiver of liability as my own free act and deed.
