

5TH ANNUAL
**PAWS
READ-A-THON**

STUDENT INSTRUCTIONS

YOUR MISSION . . .

- Think about how many minutes you usually read in a day.
- Challenge yourself! Try and read **MORE** each day.
- Try to get all your minutes **SPONSORED**. That's when family, friends or businesses donate money for each minute you read. They are cheering you on to help you fulfill your mission! The money they give you, all comes back to help our furry friends at the shelter. Always say thank you!
- There is **NO** minimum sponsorship requirement to participate and finish.

**Just try your best
and enjoy reading!**
